Descripción

Chatler Amoremio Red Elixir is a Oriental Floral fragrance para Mujer. The perfume has become more passionate and oriental, but preserved the joyful fruity theme of the original scent. The luminous top notes, combined of black currant and blood orange, lead to the exotic heart of Tahitian Tiare, Indian Malati flower (jasmine like) and lily-of-the-valley. The balsamic base blends rare woods and resins (sandalwood, Palmyra wood and benzoin).
