### Descripción

**New Brand Night Cancan** is a Oriental Floral fragrance for women.

Unpredictable - ready for each and every explosive encounter its instinctive is to go where danger lies.

The scent demands attention with a sparkling prelude of succulent red fruits and an impertinent fist of pink pepper. The mood is youthful audacity.

The heart combines the lusciousness of raspberry and peach with a heady femininity of lilac and violet. here is tenderness amid the bravura.

The patchouli generates a sense of addictive craving, while the voluptuousness of amber suggests deep femininity.
